SECURITY REPORT 20/10/2016 to 23/10/2016

INCIDENTS - LYNNWOOD NORTH AREA:

1. On Saturday evening at 17:58 the Interactive control room received an alarm from a house in Derek's Ave. Upon arrival the reaction officer noticed that the small gate in the sliding gate was forced open. The reaction officer entered the property and saw that the front door had been forced open. The Trellidor however was locked and no further entry had been made into the house.
2. On Sunday morning at 09:39 the Interactive control room received a panic signal from a client in Queens Crescent. The resident noticed an unknown coloured man and a black man on her property and immediately sounded the panic alarm. When the reaction vehicle arrived, the officer found that the main gate to the property had been forced open.
3. Also on Sunday morning at 09:50, a resident in Queens Crescent phoned the Interactive control room to report that there was a strange black male on his property. When confronted, the stranger said he was a water meter technician and then ran back to his vehicle and drove away. The resident went outside and noticed that his gate had been forced open and the garage door was broken in to. The vehicle the stranger was driving was a white, VW Polo, registration no. DT 33 NX GP.
4. Once again on Sunday morning at 10:30, a resident in Queens Crescent phoned in to report that his house had been burgled while he was out. Access was gained to his property through is gate.
