INCIDENTS - LYNNWOOD NORTH AREA:

The Interactive control room received a distress call from a client in Sappers Contour at 23:00 on Wednesday evening during the storm. She reported that her alarm panel continued to show movement in her house. We dispatched the armed reaction officer and the SAPS to the scene. The control room manager kept her on the line until help arrived and made sure she made contact with the officers. It was found that a window mistakenly left open by the client was the cause of the problem.

SUSPICIOUS VEHICLES/PEOPLE:

None reported.
